

MARIAN LIEBOWITZ ARTIST MANAGEMENT

Mariachi Garibaldi de Jaime Cuéllar & Ballet Folklórico del Rio Grande

Eternamente: A Día de los Muertos Spectacular!

Technical & Hospitality Rider

PLEASE NOTE:

Every attempt will be made to work with the equipment your venue already has. Most everything on this rider is negotiable in order to save your venue production money.

Items for presenter to initial:

Initials

Artists require a virtual tech meeting with the presenter's production staff and the hospitality coordinator no less than one month ahead of the program date.

Initials

The technical components of this rider provide the best scenario for show production. Included you will find our Sound and Lighting Plots, video projection requirements, and fly rail drops. We are happy to work out substitutions with you if you cannot provide all of the technical requests.

Initials

I understand this rider must be shared with the presenter's production staff, the hospitality coordinator, and the person organising lodging and transportation for the program date.

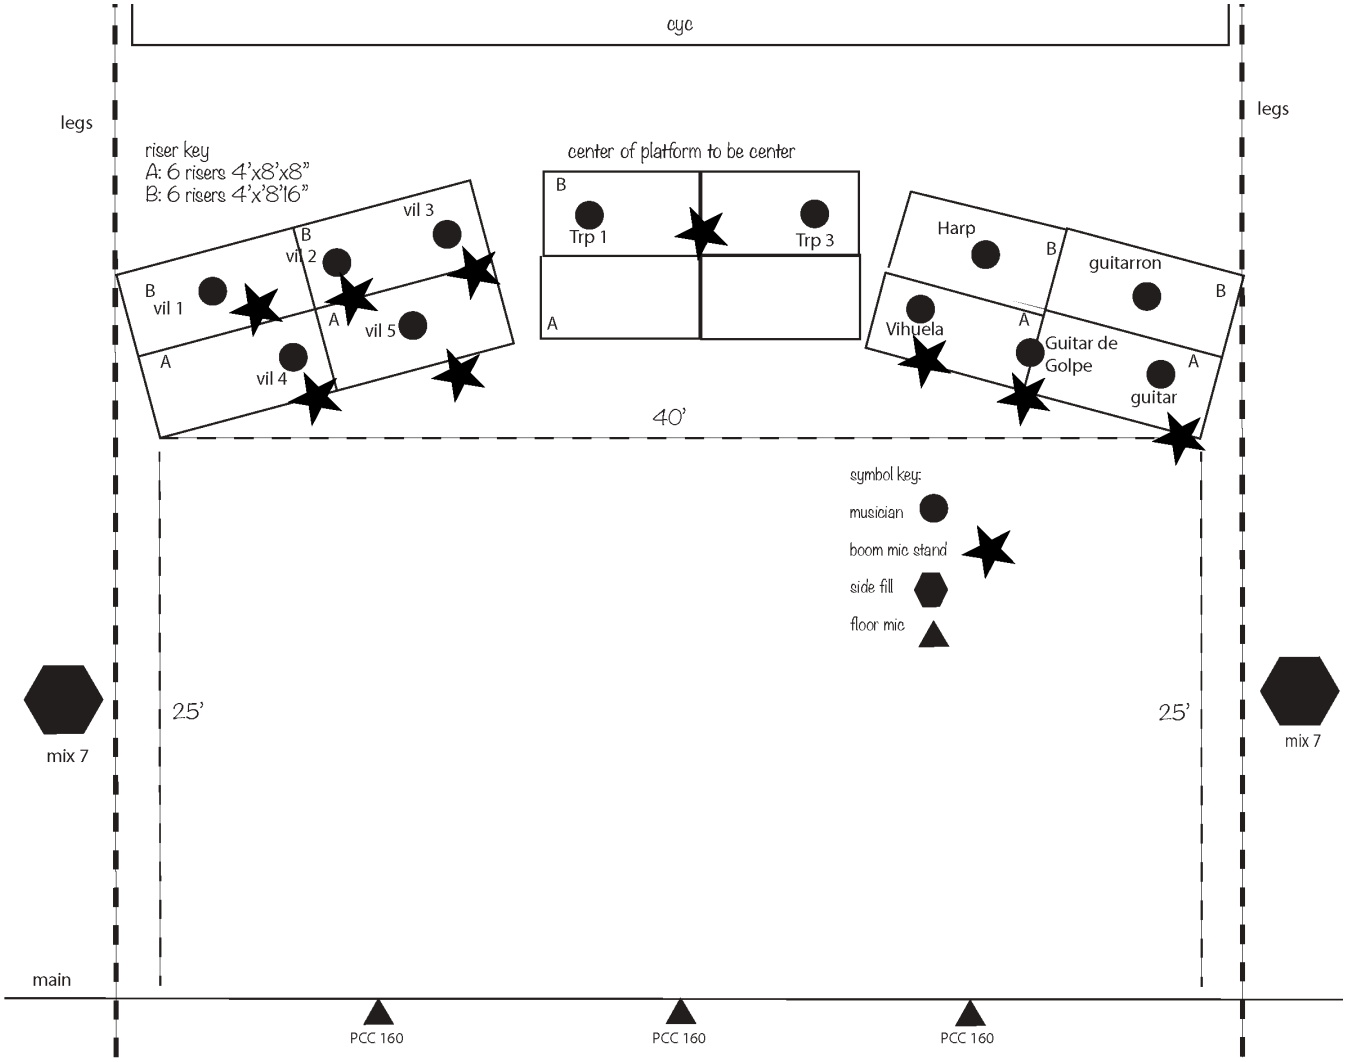
Cast List

Number of Artists/Staff	Ensemble/Role
12	Mariachi Garibaldi de Jaime Cuéllar
16	Ballet Folklórico del Rio Grande
2	Assistants
30	**TOTAL**

Initials

Purchaser agrees to accommodate Cast as listed above.

Stage Plot



Initials

Purchaser agrees to provide Stage Plot as detailed above.

Stage Requirements:

1 - RISERS: Ideally 12 (Twelve) PLATFORM Risers Carpeted in Black or Gray: SEE STAGE PLOT ABOVE

A: 6 risers 4'x8'x8"
B: 6 risers 4'x'8'x16"

2 - Stage Dimensions: Ideally a minimum of 50ft wide x 40ft deep; however, smaller stages can be accommodated.

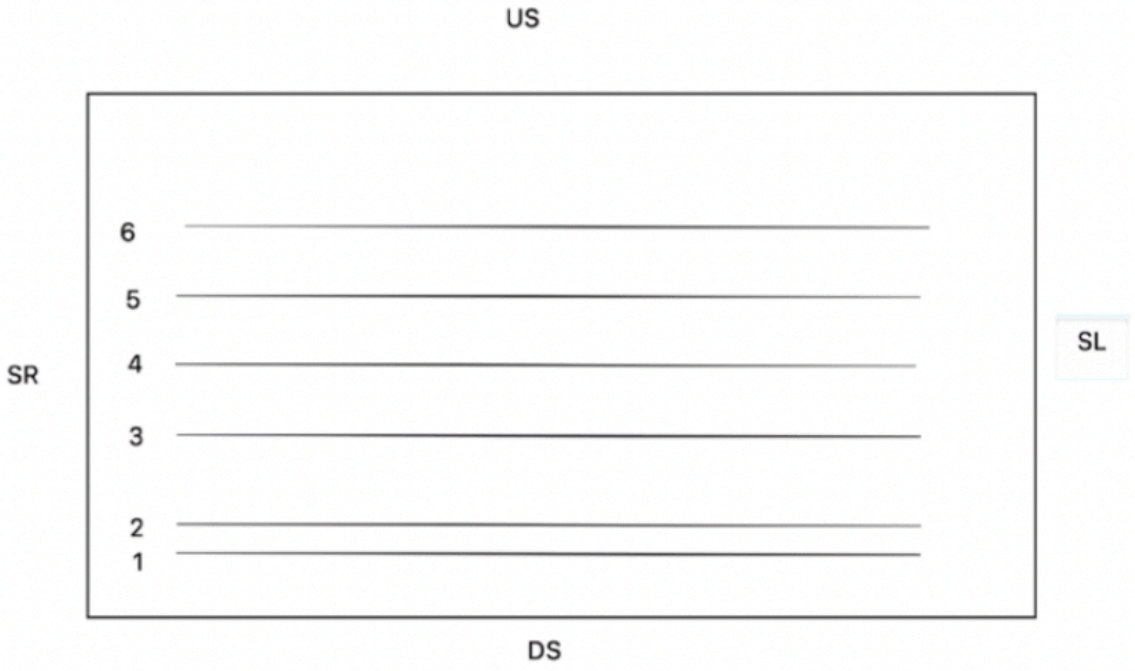
3 - Stage Type: Our optimum flooring is a sprung dance floor with smooth, clean dancing surface, suitable for both bare feet and hard shoes. A hardwood or Marley dance floor is preferred. We are unable to perform on carpeting of any kind. The type of flooring impacts the choice of repertoire. The stage/performance area must be even. (For classes and/or workshops, an uncarpeted even area of large enough size for participants to move freely must be provided.)

Initials

Purchaser agrees to provide Stage Requirements as detailed above.

DROPS

We travel with our own drops
and prefer to hang them ourselves.
Six (6) pipes are ideal, however we can work with less.



1 and 2 for Balloon net, they must be next to each other since both pipes will be tied by net. Need an operator, if not possible our crew can operate it.

3 For piñatas somewhere downstage

4 For papel picado somewhere down/center stage

5 For piñatas somewhere up/center stage

6 For papel picado somewhere upstage

Preferably pipes 3-4-5-6 equidistant to each other with at least 6 feet of distance between each other

Please note any changes discussed in advancing meetings are not attached but will still be followed, and we are more than willing to work with what you are able to provide.

We request 200 standard 12-inch orange balloons, blown to 10 inches, if possible.
You can purchase them here: https://a.co/d/cE3GdV9 (https://a.co/d/cE3GdV9)

Initials

Purchaser agrees to provide Fly Drops as detailed above.

Initials — Purchaser does not have the ability to hang Fly Drops as detailed above.

Initials — Purchaser agrees to provide Balloons as detailed above.

Projector Requirement:

- As part of our virtual altar, this show comes with projected images. Please provide a projector and screen. Ideally, the screen will be a flown-in screen.
- **Please note that we will provide you with a virtual altar PowerPoint template and a Sample Patron Invite Sheet to Submit Photos.**
- If presenter cannot provide a projector and screen, please let us know.

Initials — Purchaser agrees to provide the Projector and Screen as detailed above.

Lighting Requirements

Upon signing the contract, purchaser to provide venue lighting specs to artists.

Every attempt will be made to work with the lighting equipment your venue already has.

Load In Schedule: May be adjusted as part of the advancing meeting.

In order to give you the best possible show, we need adequate load-in, blocking, sound check, and lighting time. This show may contain props that we will be transporting to your venue. These props may require additional set-up time for your crew. Load-in takes place the day of the show for an evening show, and the night before the show and the morning of the show day for matinees. Below are our desired Load-In Schedules. Please let us know as soon as possible of any adjustments you will need. We will meet with you one month before the show to discuss any further adjustments that may be required.

Sample Load In Schedule for the day of an evening show:

- Venue Staff Load In TBA
- 8:00am - 11:00am - Dancers arrive
    - Involves: Costume Delivery and Lighting
    - Hanging drops
    - Blocking for Dancers

    - Lighting, risers, hazer, monitors, mics taped to floor, and props, etc must be ready no later than 11:00am

- 1:00pm - Sound Check for Mariachi
- 2:00-5:00pm - Rehearsal
- 5:00pm - Dinner (please see "Hospitality - Meals" portion of this rider)

If load in can commence the day before the show, load in schedule will be customized with the venue.

Load In Schedule for a matinee:

- Day Before Show (If possible):
    - Afternoon/evening - Load In
        - Involves: Costume Delivery, Lighting, Risers, and Blocking
    - Dinner (please see "Hospitality - Meals" portion of this rider)
- Day of Show: (Only if arrival time prevents previous load-in)
    - 9:00am
        - Sound Check
        - Dress Rehearsal
    - 12:00pm - Lunch (please see "Hospitality - Meals" portion of this rider)
    - Afternoon matinee occurs
